TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Deerfield in the County of Rockingham in said State, qualified to vote in Town Affairs:

[L. S.]

You are hereby notified to meet at the Town Hall in said Deerfield on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3 To see if the Town will raise and appropriate the sum of \$801.95 for Class V highways the State to contribute \$3,207.80.

4. To see if the Town will vote to instruct the Selectmen to hire money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the control of the White Pine Blister Rust.

6. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expenses of said audit.

7. To see if the Town will vote to make any change regarding wages paid for labor on the highways.

8. To transact any other business that may be legally brought before this meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and forty-three.

HOWARD P. KING,

CARL M. FOGG,

ROBERT B. SANBORN,

Selectmen of Deerfield.

A true copy of Warrant — Attest:

HOWARD P. KING,

CARL M. FOGG,

ROBERT B. SANBORN,

Selectmen of Deerfield.

Treasurer.

FOREST FIRE WARDEN'S REPORT

As the tempo of America's war effort mounts, demands upon its citizens for service become more numerous and exacting. To some comes the call to arms; others to public service and still others to defense industries and organizations. No one can possibly escape if he would. All must bear a proportionate share of the burden and the sacrifice. Strong first line fronts on land, sea and in the air are needed and can be developed and maintained only if there is unity of purpose and common determination behind the home front.

As men are drawn into service the burden of carrying on rests more heavily upon those forced to remain at home. Here, team work becomes increasingly important because of constantly diminishing manpower. A general breakdown in essential local activities and law observance can only be prevented by whole hearted cooperation between citizens and leaders.

There is no field of endeavor where cooperation and compliance with law and regulation are more needed than that of forest fire control. The most effective and economical effort in this field of activity is that of prevention. The old adage "an ounce of prevention" being "worth a pound of cure" was never more aptly applied than to forest fire control.

The forest fire warden is, by law, the designated local leader in forest fire matters. He exercises his prerogatives and discharges his duties as such under the direction of the State Forester. There was never a time when the warden needed each citizen's good will and cooperation more than he does now. With manpower waning, fire prevention, through efficient preparation, care with fire and compliance with necessary regulations become a vital duty of citizenship.

For years efforts have been made to improve the usual bad Spring and Fall fire record. It was not until this year, however, that this problem was, to a great extent solved when permit burning was more rigidly restricted. Forest fire wardens were instructed not to issue permits except on rainy days. This plan worked out so well it has been decided to make it the established policy governing legal burning.

Everyone is well acquainted with the several civilian defense groups. Many of our fellow townsmen are serving in one or other of them. It is only recently, however, that the Office of Civilian Defense, recognizing the threat forest fires are to our timber facilities and resources and the possible disruption of war activities in critical areas, established the "Forest Fire Fighters Service." Its purpose is to provide fire fighters, equipped and trained, to strengthen the hand of the local forest fire warden; to acquaint the people in the area with their responsibility in fire prevention and suppression and to provide an opportunity for people in and near forested areas to participate in the war effort. The State Forester is the State Coordinator; the District Fire Chiefs are District Coordinators and the Warden is the Local Coordinator. The Forest Fire Fighters Service personnel will be registered under the direction of the Office of Civilian Defense; it will be trained by the local warden and his assistants, aided by the District Chief. Individual citizens are urged to join this service group by applying to their local fire warden. By becoming a part of this organization locally, individuals can contribute their share toward the protection of our forest resources which are so vital to the war job.

During this critical period it is more than ever the part of good and prudent citizenship to remember

1. That permission to burn in or near woodland or where fire may be communicated to woodland must be secured from the forest fire warden when the ground is not covered with snow.

2. To be careful when smoking in or near the woods and not to throw lighted cigars, cigarettes or matches from moving vehicles.
3. To notify your local warden promptly of any fires you see.
4. That fire prevention is the best and cheapest fire insurance.
5. To be fire-minded; be careful; be cooperative and thus help your warden prevent forest fires. This is patriotism at work.

The 1942 fire record for our town follows:

Number of fires—none.

Acreage burned—none.

Cost of Suppression—none.

Number of permits issued—17.

LEON W. HARVEY,
Forest Fire Warden.

FINANCIAL REPORT OF THE SCHOOL DISTRICT

For the Year Ending June 30, 1942

All teachers to be on duty at 8:55, a. m., and to remain during noon hour.

Beginning November 30, 1942, and until April 5, 1943, the hours of school will be scheduled one hour later throughout the day.

REPORT OF SUPERINTENDENT OF SCHOOLS—

To the School Board of Deerfield:

Due to the immediate demands of defense activities the Superintendent's fourteenth annual report is brief.

Your teachers, assisted by an able corps of volunteer citizens, are engaged for the fourth time during the past twelve months in registering the population for the rationing of fuels and food.

The purchase of war savings stamps and bonds by the school children now exceeds one hundred fifty dollars. In the recent collection of scrap metal, rubber, rags, and hemp rope the South School collected nearly 700 pounds per pupil, exceeding the per pupil collection of any other school in this Union.

Nearly twenty-five dollars, realized by the pupils of the Parade School from the sale of calendars and the publication of a school paper, were invested in playground benches, radio set, painting of well curb on the common, and repairs and additions to schoolroom and playground equipment. These activities were so directed by their teacher as to contribute not only money value but also a sense of tangible achievement by the pupils.

At a special district meeting, authorized by the Superior Court and held on August 8, 1942, two plans were proposed to relieve overcrowded classes in the Center and Parade Schools—the addition of another room to the Parade building or the repair and improvement of the South Schoolhouse. By vote of the district the South School, with an enrollment of seventeen children in Grades I-VIII, was opened in September.

War conditions necessitated an entire change in the corps of teachers. Miss Della H. Greenly of Orford, New Hampshire, a graduate of Plymouth Teachers' College, succeeded Lieutenant Donald L. Chase in the Center School. Mrs Mabel W. Thomas, a graduate of Salem and Keene Teachers'

Colleges, succeeded Mrs. Nancy T. Stevens at the Parade. In December Mrs. Thomas went to Massachusetts; and Mrs. Mildred Cross of Concord, a graduate of Plymouth and for a number of years a teacher in the schools of Laconia and Concord, was selected to fill the vacancy.

Miss Flora Charter, a 1929 graduate of Keene and for several years a teacher in the City of Keene, was elected to the South School.

The opening of this school has resulted in shortening two transportation routes, an item most vital to the conservation of tires and gasoline. While the number of children in the Parade School is less than last year, the enrollment remains too large for thoroughly efficient results. This is made evident by the battery of standardized achievement tests given this year.

The report of your Enumeration Officer shows 79 pupils in the public schools of Deerfield. There are in addition two elementary school children enrolled in Epsom and eighteen pupils in neighboring high schools and academies.

It is a matter of regret that a serious physical handicap has been imposed upon several of the school children by the lack of the hot lunch service. Even the milk ration, sponsored by the local Woman's Club, has failed to meet this need due to the shortage in milk supply. The war demands upon our youth, both men and women, reveal the lack of proper and adequate nutrition. We anticipate that new federal agencies, replacing the community service rendered by the Works Progress Administration, will soon be made available. To obtain these services a local appropriation for school lunches should be made by the school district.

The going and coming of defense workers and members of the armed forces add to the danger from communicable diseases among school children. For this reason the services of the school nurses everywhere have been found increasingly valuable.

To all school officials, teachers and citizen assistants, who by their services in rationing centers, by their individual and collective support of child nutrition, and by their cooperation in maintaining the efficiency of your schools are contributing to our national defense, there is expressed the deep appreciation and thanks of your Superintendent.

Respectfully submitted,

GEORGE H. HARMON,
Superintendent of Schools.

February 23, 1943.

Vital Statistics

BIRTHS REGISTERED IN THE TOWN OF DEERFIELD, N. H., FOR THE YEAR ENDING DECEMBER 31, 1942.
